

# Job Offer : NFTs YouTuber (Freelance - Long term - Regular work)

## About the Company :

Our site [NFTEvening.com](https://NFTEvening.com) is the biggest NFTs News website in monthly visitors (800k+ visitors per month).

We are dedicated to supporting mainstream NFT adoption by making content fun & accessible. The company is based in Singapore but our team is fully remote and international, meaning there is always someone at work.

## What we do:

- Teach people about non-fungible tokens; including top NFT collectibles and the best Blockchain games.
- Report NFT news, the latest scoop in all things NFT
- Conduct Interviews with NFT artists or projects about their collections.

## About the Project :

We're looking to hire several YouTubers for our NFT news YouTube channel - Whether it's Digital art / gaming / music / collectibles.

After our success on google search via SEO, we are now looking to take over YouTube by bringing a fun channel that consistently delivers high quality informations to its viewers.

## Responsibilities :

Our ideal candidate would be someone with a few years experience with Youtube. Ideally, you have scripted, filmed, edited your own small channel and feel confident

enough to be the face of the channel (there will be 3 YouTubers for the channel most likely).

We are not really looking for someone that have an already succesful channel but for someone very passionate about NFT and YouTube that would like to grow with us.

Here will be your main tasks:

- Write the script of the video (research will be provided by our journalist)
- Film / Present (face talking) the video from home with your own equipement
- Edit the video

## **Requirements :**

- English native speaker
- Very Strong interest for NFTs projects (Digital art / gaming / music / collectibles) and NFTs technologies
- Already have experience on your own YouTube channel (whatever the size) or someone else channel
- Huge appetite for watching / reading content around the NFTs industry
- Ability to work independently and in a fully remote team environment
- Long-term work

## **Payment :**

Compensation to be discussed

Accepting proposals worldwide and can pay in any currency.

## **To Apply :**

Send an email to jimmy@nftvevening.com with the subject of the email being "YouTuber NFT - application".

No need to send a resume, just send us a short video where you answer the following questions:

- How many hours are you available per week?
- Where do you watch/read content around NFTs (specify twitter accounts if any)?

- What are your 2 favorite YouTube channel apart from MrBeast?
- What's your favourite NFT collection, have you spent time in any metaverse?
- Why do you think you will be good for this job?

Note:

- If you can also send us one of your video that you filmed and edited
- + add the word “moon” at the beginning of your application, it helps sorting who reads till the end
