Testimonials

Leo Krajden | Cactus World NFT

I just want to stress how great of a writer you are. This was such a great article. We are trully touched.

Sarah May | Run it Wild

It was honestly a joy to speak to a reporter that knows what he's talking about!

Alex Bellesia | Spatial Port Inc.

You were truly able to capture the mission of the company and I'd love to truly thank you for the amazing work you've done.

Miles Standish | People-Depot

The article looks great! We're excited to see it on NFTevening!

Arizona State University

It was a pleasure working with you.

Ash | Kinkify

Thank you for your effort! We looked through the article and we love what we see!

Levi | Olly Toons

Thanks for the pin really helped and had more ollys minted than we would have on our own, I wish we had a bigger budget to utilize your full offering and have as many people see it as possible, we had 128 new users on the website which is amazing and is more then we have had ever!

World of Women and The Fabricant Create Web3's Biggest Digital Fashion Collection

By Reethu Ravi - June 13, 2022 3 Mins Read

The Fabricant and World of Women (WoW) have joined forces to make Web3 more fashionable and diverse with a 27-piece digital fashion collection. The stunning collection takes inspiration from the women characters in the WoW NFT artworks. The drop will take place on June 29 on The Fabricant Studio. Want to take part in this unique collab? Let's find out how!
